We are in the midst of our third year as the *Friends of the Perry Hall Mansion* organization, we are even more determined in our efforts to raise awareness and promote the history of the Perry Hall Mansion; we do this best through our dedicated membership. If you have not yet joined or need to renew, send in your membership form and to keep you informed on all the information about the happenings with the Friends of the Perry Hall Mansion.

Check out our wonderful website: [www.perryhallmansion.org](http://www.perryhallmansion.org) here you will find up to date information on our meetings and events, we are also including history of the mansion, property, and people (of whom we are continually learning more!), photos of the current interior state of the mansion and other tid-bits of interesting facts and information and of course check out items for sale from the Mansion Store! We are ever increasing the variety of products available for purchase; we continue to offer our Francis Guy Painting note cards, ceramic ornaments printed with mansion painting, and new for the Town Fair: brass ornaments with the current style of the Mansion depicted and Perry Hall Mansion Pairpoint suncatchers (each are individually hand pressed from molds engraved by traditional methods; from America's oldest glassworks, founded in 1837).

We are continually working to enhance the organization, improve membership meetings, provide more learning and involvement opportunities, and additional fundraising efforts. Look for our booth at the Perry Hall and Parkville Town Fairs! We hope you will join us, keep tuned for more information! As always, we thank you for your continued support, we encourage you to get involved, attend meetings, join a committee, make a donation, and look forward to the great opportunities in the upcoming year.
